THE DEMENTIA TRAINING INSTITUTE

The Institute is a partnership of agencies sharing the goal of providing affordable quality training on dementia care to improve the quality of life for persons with Alzheimer's disease and related dementias. The sponsoring partners include the Alzheimer's Association-Greater Pennsylvania Chapter and the Alzheimer Disease Research Center.

WHO SHOULD ATTEND?

This is an introductory level program for professional caregivers of persons with dementia from all of the following sites — hospitals, emergency services, nursing homes, personal care homes, day care centers, home care agencies, and volunteer projects. Self-employed professional caregivers are also encouraged to attend.

ABOUT THE TRAINERS

The trainers are health care professionals who have practical experience with dementia care in the areas including geriatric assessment, home care, day care and residential care.
