

ASSOCIATION PRESIDENT/CEO

The Greater Pennsylvania Alzheimer's Association, a statewide association covering 57 counties, is seeking an experienced President/CEO. The organization has a geographically dispersed staff and maintains a budget of \$2M. The position provides leadership to staff and volunteers to ensure that the Association maximizes fund development opportunities, develops programs to meet diverse community needs and provides strong advocacy efforts to improve public policy. The successful candidate will have the following:

- Exemplary leadership with strong communications and organizational skills.
- Minimum of 5 years of demonstrated success in senior management positions in non-profit or business management.
- Extensive background in management and development of staff, fund development, strategic planning and financial management.
- Proven ability to develop collaborations and coalitions among diverse groups.

The position will be located in either our Harrisburg or Pittsburgh office. Competitive salary and benefit package. For more information about the Association and the position, please visit our website at www.alzpa.org. Send resume with cover letter and salary requirements as an email attachment to postresume2005@aol.com by **April 18, 2005**.
